Demonstration of New Research Administrator's Dashboards

Come see a demonstration of the new research administration dashboards. These dashboards, which are still in beta, integrate both research and financial data and have been built specifically to meet the needs of research administrators. We'll also discuss the eventual retirement of the existing OSP Portal and the development of a new PI dashboard.

If you want to try out the dashboards in advance of the meeting they are located at <https://obieeprod.cit.cornell.edu>. Choose "_Research Administration" in the dashboards menu.

We look forward to seeing you June 18 at Weill Hall!
