Supplier Diversity at Cornell

In 2012, Cornell University instituted its “Toward New Destinations” Institutional Diversity Planning framework. That framework impacts all aspects of Cornell including the selection of our sub-contractors and other suppliers. OSP and the Cornell Procurement Office will present historical information and legislative requirements for the New York State MBE/WBE goals as well as information about aligning our suppliers with the University objectives set forth in the “Toward New Destinations” framework. Project details (ie, website review) and the Subcontracting Plan Review Process will also be addressed.

Please send me any questions you might have about Supplier Diversity, including MBE/WBE, prior to the Roundtable session, so I can provide them to Cindy, Mike and Tom in advance.

We look forward to seeing you on July 16!
