Introduction to the NSF's new PAPPG

As we know, NSF guidelines are ever changing. On January 25, 2016, the new Proposal and Award Policies and Procedures Guide (PAPPG) will be implemented. It contains many changes that will impact how both PIs and pre-award coordinators prepare NSF proposals. Tammy Custer (Electronic Systems Specialist and FastLane guru) and Kim Holloway from the Office of Sponsored Programs will be reviewing the new guidelines and answering any questions you have about NSF proposal preparation.

Feel free to send me your questions about the new PAPPG prior to the Roundtable session, so I can provide them to Tammy and Kim in advance.

We look forward to seeing you November 19!
