New Indirect Cost (F&A) Rates: How did we get there and what does it mean?

Speaker: Jeff Silber, Director, Financial Research Administration, SFS

University staff across campus spent thousands of hours over a three-year period preparing for, developing, supporting and negotiating our new Indirect Cost Rates. This round table will focus on this process, discuss the new rates, and explain the implications of the rates for existing and new awards.

Feel free to send me your questions about the new rate agreement prior to the Roundtable session, so I can provide them to Jeff in advance of the Roundtable.

We look forward to seeing you on April 20th!
