Research Terms & Conditions (RTC)

Presenter

Jamie Sprague

Sr. Grant & Contract Officer/Federal Team Lead
Office of Sponsored Programs

The Research Terms & Conditions (RTC) are a set of standard award terms and conditions employed by Federal awarding agencies when awarding assistance agreements (grants and cooperative agreements) to institutes of higher education and other non-profit research institutions.

Join us next week to learn more about the history of these terms, how they compare to the OMB Uniform Guidance (2 CFR 200), how six different federal agencies implement them in their awards, and what you need to know as a Cornell researcher or research administrator when presented with these terms.

Feel free to send me your questions about Research Terms & Conditions prior to the Roundtable session, so I can provide them to Jamie in advance of the Roundtable.

We look forward to seeing you next Thursday, November 16th!

Thank you,
Christine
