

OSP Roundtable

September 20, 2018

9:30 – 10:30 AM

Plant Science Building, Room 404

Presenter: Jeffrey Silber, Sr. Director, Sponsored Financial Services

The Ins and Outs of Matching Funds

In 2014, the Uniform Guidance (UG) clarified expectations for cost share and its impact on the merit review of applications. Before proposing cost share, it's important to consider the requirements based on the solicitation. If cost share is not required as a condition of the award, consider the institutional impact of committing resources before including cost share in the budget and budget justification. This roundtable will focus on cost share and cover the following topics:

- University Policy 1.1 – Cost Sharing for Sponsored Projects
- Definition of Cost Share and Specific Types
- Best Practices for Proposing Cost Share
- Examples of Cost Share

Feel free to send me your questions about Matching Funds prior to the Roundtable session, so I can provide them to Jeff in advance of the Roundtable.

We look forward to seeing you next Thursday, September 20!

Thank you,
Christine
