

OSP Roundtable July 2019

- New research services site
- Demo by Ellen Hartman (eh79)
Research Administration Information Systems (RAIS)

New Site researchservices.cornell.edu

- OSP, ORIA, CARE, SFS sites consolidated. (*Old sites being turned off.*)
- Some EHS and CTL content integrated. (*Current sites staying live.*)
- **Benefits to Cornell**
 - One site to remember (will include EHS & CTL integrations and links)
 - Central communication. Reduces duplication.
 - Organized by research process stage; similar to other university sites.
- Content updates continue after launch.
- Functionality updates also planned.

Next Steps

Testing, Features, Content

Testing

- Faculty and Staff
 - Current navigation and tools
 - Current content
