Navigating the New Research Services Website

Join us at our next OSP Roundtable for a demonstration of the new Research Services Website (www.researchservices.cornell.edu). Attendees will learn where to access information about central research administration resources – including Center for Animal Resources and Education (CARE), Office of Research Integrity and Assurance (ORIA), Office of Sponsored Programs (OSP), and Sponsored Financial Services (SFS) – through a guided tour of the site. There will be opportunities to ask questions and to provide feedback about the new site including desired content and accessibility of the things you want to see.

Feel free to send me your questions about the new Research Services website prior to the Roundtable session, so I can provide them to Ellen in advance of the Roundtable.

We look forward to seeing you next Thursday, July 18, 2019!
