

OSP Roundtable

RASS Update

Presenter

Carrie Susskind, IT Project Manager

Thursday, October 17, 2019 - 9:30-10:30am

Plant Science Building, Room 404

Synopsis

Join us at our next OSP Roundtable for a demonstration of the new notice of award distribution email and sponsored project portal features in the new Research Administration Support System (RASS). Attendees will learn about changes to the notice of award distribution email as the Office of Sponsored Programs (OSP) begins to use RASS for this process. In addition, we will discuss updates to the data that will be available soon in KFS and the financial reporting dashboards once the source of this data is RASS. There will be opportunities to ask questions and to provide feedback about the notice of award distribution email and sponsored project portal features. We will also provide an update on our RASS implementation timeline.

Zoom

For those unable to join us in person, attendance will be available via Zoom.

A link to the Zoom meeting will be sent the day before the Roundtable.

Neither requests for the link nor registration are required.
