Meeting ID: 961 9783 7498

Synopsis

Join us at our next OSP Roundtable for a discussion on managing subawards using the new Research Administration Support System (RASS). Attendees will learn how to review and initiate subawards, request new subawards and subaward amendments, and understand the reporting available for subawards in RASS. We will also provide an update on our RASS timeline for the launch of proposal development features in RASS.

Materials and Recordings

All OSP Roundtable materials and records are available on the Cornell Research Services website –
