Synopsis

Join us at our next OSP Roundtable for a demonstration of proposal development and routing features in the new Research Administration Support System (RASS). Attendees will gain an understanding of Cornell's launch of proposal development features in RASS, RASS sponsored research proposal stages and statuses, and how RASS will be used to automate proposal approvals replacing the current Form-10 process. Through a demonstration of RASS, attendees will learn about following topics:

- Creating proposals
- Proposal routing and approvals
- Proposal review process
- Creating proposals with subawards
- Tasks and notifications

Materials and Recordings

All OSP Roundtable materials and records are available on the Cornell Research Services website –
